Mechanisms, funding and state capability for poverty and inequality reduction (post-Covid) in South Africa

A summary of the highlights and outcomes of a webinar series conceptualised by the ASSAf Standing Committee on the Science for the Reduction of Poverty and Inequality (SCSfRPI).

A candid conversation reflecting on the webinars: did anything new or surprising come out of the discussions; what now and how should the country proceed?

Friday 6 August 2021 - 11h00 - 12h00

Programme

- | | |
